

Covid-19 Announcement - 1st August 2020

On the 7th July 2020 the EPS Committee, after a great deal of discussion, voted unanimously to suspend physical meetings until January 2021.

Our first responsibility is to our members, and their health and safety must be paramount.

Although we hope that developments in the fight against Covid-19 may allow an earlier resumption to our physical meetings, this does seem unlikely, and we feel that having a clear plan now is the best strategy for our members.

Fortunately, our experience in running successful meetings via Zoom, puts us in the great position of still being able to offer the same full and complete programme of events, for which EPS is so well known.

Please click "Programme & Events" tab to see our diary going forward.

For more information on Membership, and our Zoom Speakers meetings, please click on "Contact Us" tab and complete "Email Us" form.

Stay Safe.
